Internet Crimes Arrest

*****UPDATE – JULY 28, 2011*****

In June 2011, Detectives from the Internet Crimes Against Children Unit began undercover correspondence with a suspect who had placed an electronic advertisement seeking sexual relationships with both a mother and her young daughter. During the correspondence, the suspect continued to indicate his desire to have a sexual relationship with the child.

As the investigation continued, Detectives developed information about the suspect and determined that they were corresponding with **Jeffrey Allen Albert**, who was arrested in February 2011 under similar circumstances and was currently out on bond for those charges. A search warrant was served at his residence, and evidence was seized. Albert was arrested and charged with **one count of Sexual Exploitation of a Minor**, and booked into the Pima County Jail. The investigation is ongoing, and additional charges are pending.
